January 2024 NBME Registration

Terms and Conditions

This registration is for **Prometric Center** only and is not interchangeable with registration for exams taking place on campus or during exam windows not mentioned here. Once the NBME roster is uploaded on **December 22, 2023**, with your registration, *no changes can be made, and no fees will be refunded*. Should any registrant decide not to sit for their exam after the roster is uploaded, all associated costs (\$200.00) will continue to be their responsibility. The University will not incur fees on behalf of students.

To register, submit both sides of this form and attach your receipt to the last page. Save all pages as one pdf document and title your document "**Surname, First Initial – January 2024 Prometric Registration.**" Attach your document directly to your e-mail and do not include external links, images, or word documents. Email your completed form to examinations@allsaintsuniversity.org with the emails' subject as "**Surname, First Initial – January 2024 Prometric Registration.**" Registration forms are not accepted via regular mail, fax, or in person. Please be advised that registrations emailed multiple times, forms that have been redistributed by students, incomplete registrations, and late registrations will not be processed.

I, _____, have read and agree to the Terms and Conditions herein.

Date: _____

January 2024 Registration Procedures

The information provided on this form will be used to create a roster that will be submitted to NBME on **December 22, 2023**. *Forms not received by 1:00 PM EST on December 21, 2023, will not be processed*. Once the roster has been uploaded, NBME will e-mail you a scheduling permit to the email address provided in this registration form. Their e-mail will arrive between **December 25-27, 2023**. The details contained in the scheduling permit will enable you to register directly through Prometric's website for exam dates within **January 22 to February 5, 2024**. Students are free to pick any location, time, and date offered during Prometric registration.

January 2024 Self-Assessment Score Report Submission

As per the school's policy, the students are required to take the NBME-Self-Assessment (CCSSA for the CCSE candidates and CBSSA for the CBSE candidates) and demonstrate a minimum score of 75% in the self-assessment to be qualified for the NBME exam.

Accordingly, your registration will be contingent upon the submission of your NBME self-assessment score report to the examination department. The deadline for the submission of
